### **A Message from All Wales Sport**

As the curtain falls on another season, a big thank you to our sponsor Castell Howell Foods Ltd, our advertisers, and rugby fans for helping us provide a results service for our game.

Accurate data is paramount in giving a best fans experience and we believe the conflicting data on different platforms throughout the season was harmful and must be eliminated by all parties.

#### **On 29 October 2025, All Wales Sport messaged the WRU.**

*'How confident is the official body that its data for the WRU National Leagues is accurate?*

*Currently there are multiple differences in the data provided by the WRU and All Wales Sport - issues include league points, tries scored, bonus points awarded and disputed scores.*

*All Wales Sport helps provide a service for sections and leagues that are absent from the WRU website.'*

**Approaching the end of the season,** we alerted a number of clubs internally as to discrepancies that could have meant the wrong club(s) being promoted or relegated.

We had also listed 71 games this season whereby the club(s) disputed the official scores.

Unfortunately, mistakes will happen especially in the lower leagues, it is the nature of the beast, and yes, All Wales Sport make their fair share - but we address them very quickly.

Our offices are open until 12 midnight on match days to deal with any issues the clubs or fans may have. We are open seven days a week from 6am - we close 12 midnight Saturday and 11pm every other night.

All Wales Sport is not in competition with anyone, we are just stating facts, and nothing would please our team more than to see the WRU provide a first class rugby results service on its platform - one you can trust one hundred per cent.

For a best fans experience, All Wales Sport has been offering to work with the WRU since last October, to help provide a unified results service - from Juniors to Seniors. We can only hope sense will prevail.

All Wales Sport will be celebrating 25 years next season - in that time we think it's fair to say that we've built a strong relationship and trust with clubs and fans across the country.

If both parties continue to go it alone, we will be doing the game a great disservice.

**Together stronger.**

Have a good summer everyone.
